Dear Preucil Parents & Families:

Thank you for participating in the 48th Annual String Concert at Hancher Auditorium on **Sunday, February 1 at 2:00 p.m.** The concert is free and open to the public. The main doors to the Hancher Lobby will open at 12:00 p.m. The Auditorium will open at approximately 1:30 p.m. for seating. This concert is an important part of our curriculum and is an important learning experience for those who participate. We embrace this unique opportunity to share our music and represent Suzuki training in our community!

REMINDER: All students who are taking part in the Annual String Concert, including those who are not members of a group class, have received information from your teacher and are required to attend group classes as scheduled leading up to the concert. Please refer to the following pages for Dress Rehearsal and Concert Day schedules for your instrument and level.

All students and parents who are participating in the concert need to review the information in this bulletin. The information is arranged by instrument. Please note the instrument in the top left corner of the page. Your cooperation in attending all scheduled rehearsals for your group, arriving when indicated, and reviewing concert music carefully will help ensure a memorable concert.

Student Experience & Audience Etiquette and Manners

Preucil School of Music strives to create a professional performance opportunity at the Annual String Concert at Hancher Auditorium for participating students as part of their learning curriculum. Please be respectful of the students performing and fellow patrons by adhering to the guidelines for attending a professional music performance.

- The concert will start promptly at 2:00 p.m. Family members and guests should be prompt, as late seating will only take place between pieces. The concert ends at approximately 4:45 p.m.
- If you have a young child who is restless, please take them out to the lobby where Hancher staff can direct you to the quiet rooms.
- Please note the auditorium has two cry rooms in the back of the auditorium's orchestra level with seating and sound.
- Re-entry into the auditorium will only be done in between pieces during applause.
- Please be respectful of the performing students and fellow patrons by remaining quietly in your seats during the performances.
- When choosing your seats as you enter the Auditorium, please do not leave extra seats between you and the next person. We want to have plenty of space for everyone to sit without having to separate family members into single seats.
- Please do not use any perfume or aftershave at any Preucil School event. We have several students and adults with allergies to perfumes and aftershaves.
- **Video recording and photography of the concert is prohibited.** The concert will be professionally video recorded and photographed. Video of the concert will be available on YouTube and professionally taken photos will be made available for free after the concert.
