

Concert Dress Guidelines and Shopping Sites

The school would like to help parents as they shop to find their sons or daughters appropriate concert dress. Concert dress for everyone except PSSO and Espresso Strings is as follows:

Girls: White, long-sleeved blouse with a collar, tucked in.
Black below-the-knee skirts (at-the-knee is fine for the youngest girls) or black slacks.
Black Closed-toe dress shoes/no high heels – maximum height 1.5 -2”
Black tights, black hose (plain, no design) or white socks above the ankle for the youngest.

The following attire for girls does not meet concert dress standards:

Mini-skirts, tight skirts, skirts that have a slit down the side or front, jumpers, polka dots, glitter, red shoes, large hair bows, black leggings that double for slacks, capris, sheer white blouses with a camisole underneath, off-white tops, short sleeves or sleeveless tops, untucked blouse.

Boys: Black Dress pants.
White long-sleeved shirt with normal collar or mandarin collar.
Black belt.
Black dress shoes.
Black socks.

The following attire for boys does not meet concert dress standards:

Off-white shirt, short sleeves, long sleeves rolled up, untucked shirt, black sports pants, tennis shoes (unless all black), sandals.

Guidelines: On the following page you will find information to help shop easily for your son or daughter when the time comes. We hope to eventually eliminate issues of dress, such as color of white, length of sleeve, to tuck or not to tuck, length of skirt, etc., by providing you with these clothing sites and concert dress guidelines. If you already have clothes that meet the concert dress guidelines, please feel free to use them. If not, don't spend precious time shopping when you can order directly online from one of the following sources.
